June 2020

Coming Up Next:

Enjoy your summer! We will keep you posted when our new 2020-2021 calendar is ready.

Second Chapter meeting via Zoom a success!

Due to the Coronavirus pandemic, the San Jacinto Chapter had to host its June Chapter meeting via Zoom. We had several members join us and it was wonderful to see so many smiling faces during our meeting!

(not everyone who attended is pictured here)

Message from our President:

Hello, Ladies!

Well, it's our summer break! We don't have another Chapter meeting until October 1st, 2020! I have no idea if we will be ZOOMing again or if we will be back in our Log House, but I will let you know in September!

Our June 4th meeting was great! We were happy to see some familiar faces that we haven't seen in a while! I hope all of you are able to get Zoom over the summer just in case we still are in separation mode in the fall. We are working on getting WiFi at the Log House for some new security cameras, so we might be able to Zoom for those of you at home even if we are meeting at the Log House! At our meeting, we approved using Durio & Co., PC to prepare our chapter's Form 990 for this fiscal year and Carla Brown, retired CPA, to file our annual state sales taxes.

The work of our chapter continues this summer. The Board will be busy finishing the cleaning and reorganizing of the Log House, doing yard work, updating our Yearbook, writing for grants, and working on the restoration of two of our boulders near San Jacinto which have become illegible: the Santa Ana Capture Site and Vince's Bridge. Chevron will donate the funding for the Santa Ana Site and an anonymous member of our chapter has donated the money to restore Vince's Bridge!

Don't forget to send in your dues! Also, let me know now if you want to purchase a DRT bag, pin or red umbrella. Since there is no convention this year, we have excess of these items to sell! We also have extra copies of our book *The Ladies and the Battlefield*. The minutes of our meeting have a list of ways you can volunteer for our Chapter. Let's try to keep in touch over the summer. Stay safe, Ladies!

## Registrar's Review

At our June meeting, we approved Dianne Myers Stool as an Associate member of our chapter and Laura Davidson Fowell as a Prospective Member. Then we approved the transfers of three ladies from the William Barret Travis Chapter DRT in Austin to our chapter: Sarah Beeson, Nikki Wise, and Andrea Conklin.

Several new ladies joined our Zoom meeting and introduced themselves to us! We met Dianne Stool; Prospective members Laura Fowell, Stacy Ryan and Clarlyn Bhatti; and 3 of our newest members, Carla Brown, Vanessa Flores, and Debra Grigsby! Welcome to you all! We are thrilled by your interest in our chapter!

# Randalls

*Kroger Community Rewards and Randalls grocery stores have given Daughters of the Republic of Texas, Pioneer Memorial Log House new numbers. Please check with your local Kroger to have your Kroger Plus Card updated for our new # RF149. Randalls donation card number is #14013 for the Pioneer Memorial Log House. You can request this number to be programmed onto your Randalls shopping card. Remember, you shop anyway, so this is a painless way for our chapter to receive a donation from Kroger and Randalls just because we shop. Every little bit helps!*

## Early Texas Summer Recipes

Taken from *A Pinch of This and a Handful of That - Historic Recipes of Texas 1830-1900* published by DRT District VIII in 1988.

### Jelly Pie

This was a popular recipe in Burnet County, Texas, around the turn of the century.

- 4 eggs, separated
- 1 c. sugar
- 1 c. jelly
- 1/2 c. butter
- 1 unbaked pie shell

**First Part:** Cream butter and sugar. Add well-beaten egg yolks. **Secobd Part:** Beat egg whites until peaks are formed. Add jelly and continue beating until well mixed. Fold part 2 into part 1 and pour into shell. Bake in moderate oven until custard is firm.

### Pastry Making

1850 - Asa Wright and John Lloyd Halliburton families

Cut in 1/2 lb. butter (1 cup) and 1/2 lb. lard (1 cup) into 1 lb. (4 cups) sifted flour. Add 1 cup of water (as cold as possible), 1/2 tsp. salt, and blend until the dough is not sticky, having board and pin well floured. Divide into 3 parts, then divide each part into 2 parts. Will make 3 double-crust pies, or 6 single-crust pies. Bake in hot oven.

*[Pastry making was created in Paris in 1270 and extended all over the French Kingdom in 1566. Real pastry, as it is known today was created about 1790 and was not developed to its present-day standard of proficiency until the beginning of the nineteenth century. Pastry making was introduced in America by the Pilgrims, and its story is closely related to our traditions, customs, and progress.]* Excerpt Taken from *A Pinch of This and a Handful of That - Historic Recipes of Texas 1830-1900*.

## During this month in Texas history - June 1, 1963

In 1876, The Agricultural and Mechanical College of Texas opened its doors with a student body of about forty men. It was to remain a bastion of men for nearly a hundred years. The Fifty-eight Legislature changed the name of the school to Texas A&M University and proposed another change: On June 1, 1963, a Limited Coeducational Policy was initiated which allowed the enrollment of wives and daughters of faculty, staff, employees and students. The "Maggie" was born. By 1970, A&M was fully coeducational.

**Good News from the Log House**

**The Log House has a new, vinyl kitchen floor. The pattern closely matches the 1936 wood floors. Buffalo Floors installed the floor, laying the floor in one piece—no seams. Quarter round trim was laid along the edges. The new floor lays smoothly up to the edge of the new dishwashers.**

**A grant from the Native Texas License Plate Fund will pay for the new floor. Thanks to Gwen Koch, 4th Vice President for Ways & Means, for pursuing this grant and handling the bid process.**

**This new floor was needed. Our old floor was just – old. Edges were curling due to lack of quarter round trim. A seam in the vinyl floor near the back door was damaged beyond repair due to scraping before the foundation was leveled.**

**The Log House Committee is investigating the installation of security cameras. Plans to investigate preservation of the logs of our house and to revitalize the grounds have been delayed due to the current emergency.**

**The Log House Committee is looking forward to the time when we can invite everyone back to the Log House to see the improvements. Chapter committee and board meetings originally scheduled for the Log House have become “Zoom” meetings or held with safe distancing observed. The monthly “Open House” public events have been cancelled.**

**Sharolyn Wood**

**5th Vice President**

**Chair, Pioneer Memorial Log House Committee**

Our floors are getting some much needed TLC!

Such a good match with our current floor
