Let's make some new friends and put on a  
great showing

from our San Jacinto Chapter!!

From the President:

Hello, Ladies, and welcome to Almost Autumn! We have had a busy and productive summer with your officers and committees working on numerous projects for our chapter. We held a called chapter meeting on July 28th and had 24 members present to approve six new Prospective Members and one new Associate Member. We have cleaned the outside and the inside of our Log House removing lots of ugly gunk in the rafters and brightening up the 86-year-old logs! Our Country Store has traveled to three out-of-town workshops and sold over \$3,200 worth of merchandise (gross sales)!! We also approved our calendar for 2022 – 2023 (see attached) and are excited about some of the wonderful programs we are planning. We wrote new bylaws for our CRT Chapter and amended some bylaws for our DRT chapter. Our committees went through numerous old documents found by our Historian. Our Log House committee continues to work through its long list of projects to keep our House and grounds in good shape.

We collected dues for 264 chapter members! And our CRT chapter elected officers and plans their first meeting and initiation ceremony on Saturday, September 17th at 12:30 p.m. All are welcome! We are almost ready to print the Supplement to our Yearbook which will include all new members since last September.

We said good-bye to three stalwart members of our chapter this summer: Mary Jane Merchant, Marilyn Chapman, and Verlinde Doubleday. See Chaplain's report.

Our first meeting of the new year will be on Thursday, October 6, 2022 when our speaker will be Dr. Caroline Crimm. We will meet in person at the Log House and will also send out a Zoom link. On Saturday, October 15th, we want to invite all new members to the Log House for a reception from 1:00 to 3:00 p.m. Since many of you work during the week, we thought you might enjoy a time to visit on a weekend!

We also hope you will attend our District VI Workshop on Saturday, October 22nd at the Monument Inn in LaPorte. An invitation is attached to this newsletter. We need at least 13 members to attend! We are working on transportation for everyone interested.

Welcome to the new DRT year of 2022 – 2023!

## Report from the CRT Convention from Gwen Koch

CRT Convention – Denton, June 25, 2022

Pictured right: JoAnn Heiligman Eames – I happened to sit next to her at the CRT Convention. She knew San Jacinto Chapter right away as she was the winner of our Bluebonnet Linens set at the 2021 DRT Convention in San Antonio. JoAnn said that she loves and collects all things bluebonnet and was so excited when we called to say she had won. Our set is her current favorite table set.

## Curatorial Committee Report

### Early Texas History Collection

The Curatorial Committee is responsible for maintaining the “Early Texas History Collections” as part of the chapter’s mission to perpetuate the history of the Republic of Texas. The chapter has acquired many objects representing the rich heritage and diverse cultures of the republic before, during and after 1836 to 1845.

- The History Collection containing historical objects of material cultural significance, used or created during the republican era.
- The Art Collection containing historical works of art created during or depicting the republic era.
- The Textiles Collection containing historical textiles relevant to the Republic of Texas and the establishment of the SJC/DRT.
- The San Jacinto Chapter, Daughters of The Republic of Texas Collection containing objects relating to the history of the organization.

The Collection is interpreted to the public through educational tours, permanent and temporary exhibits and special events. The committee is in the process of reviewing and updating the inventory of our Collection and adopting a management policy guide to responsibly maintain the Collection.

Current projects underway are framing and displaying historical maps and other images in Brooks Cottage, framing art and pictures relating to General Sam Houston, finding a new home for the deceased, early 1900s piano, and displaying decades-old chapter scrapbooks which the Historic Preservation Committee is bringing out of storage.

The committee is a subcommittee of the Pioneer Memorial Log House Committee, chaired by fifth vice president, Sharolyn Wood, with members Trudi Becht, Gwen Koch, Gwen Kunz, Eron Tynes, and ex officio member, the president Beth McCarty. Volunteers are welcome who are interested in working with the collection. In October, we will begin a project to inventory the collection. We have prior inventories to double check and new items to add.

## LOG HOUSE RESTORATION 2019-2022: Part 5

Logs surfaces inside the Pioneer Memorial Log House are sparkling clean today. The team of log specialists from Lonestar Log Specialties returned in early August to work for two weeks, cleaning the interior walls of the Log House.

Hand washing the interior log walls removed decades of accumulated dirt, exposing beautiful, brown-toned logs. The whiteish hue of the logs is gone. "Dirty" does not fully describe the condition of the interi-

or logs. Work was slow. Cleaning water turned muddy. Cleaning cloths turned black. Sealant was hand painted on the cleaned logs.

Cleaning the interior side of the pine log walls of the Log House was not contemplated by the Log House Committee when we embarked on the restoration in 2019. Lisa Braly came forward in early 2022 to suggest this project, providing the funds to make the cleaning possible.

As the logs were being cleaned, Lisa, the project manager of the Log House restoration, noticed how extraordinary the clean interior of the logs looked. She expanded the project to clean the beadboard walls, the rafters, ceilings, and doors. All interior wood surfaces are cleaned and sealed. Working with Lisa, I understand why her family calls her the "Queen of the Clean."

**Status Report.** The last details of the log restoration project will be completed in the coming weeks. With additional funding, the chapter can complete the lighting project and other projects to improve the Log House.

Sincere thanks are extended to Gwen Koch, 4th Vice President - Ways & Means, and the grants received for the support of chapter restoration projects. The generosity of Debra and Richard Grigsby, Lisa and Grant Braly, and Gwen Kunz is very much appreciated. Thank you all.

**Other projects.** The Log House Committee has been busy these past three years. If you are interested in working on future Log House projects, be a volunteer at the Log House. Contact Sharolyn Wood, Chair, Log House Committee.

## News and Happenings at the Log House!

### Good News -- Bad News

Good news for our grounds. Our grounds keeper team has been at work during this blazing summer. Ronnie Perry and his team have been at work, putting down sod over the muddy area near the Log House, weed eating, and cleaning up unwanted vegetation around the Log House. Our overgrown beds are being rehabilitated. Grounds maintenance is looking good. Bad news is that two trees have died, most likely from the effects of the 2020 drought followed by the ice storm of 2021.

Chapter members Barbara Strong and Mary DiStefano were my volunteer "watering team" as we rotated watering duties, trying to keep the sod alive as the scorching months of June and July arrived. Bad news, we lost a lot of sod. Good news --the sod that survived is looking green and no mud.

Bad news for chapter refrigerator. Our 20-cu.ft. kitchen refrigerator donated by Ester Simon almost 20 years ago is on its last legs. Ice in the freezer has melted. The chapter will need to purchase a new one. "No" Good News for the Old Piano. The

"deassessed," oldest upright piano must be removed from the Log House. Efforts to locate the family who donated the piano have been unsuccessful. The search for a new home must begin.

Rental Good News. We had three successful events at the Log House this summer—two birthday parties--Carla Brown's sister and the Moran/Liss-Frank grandbaby--and a baby shower for Juan Nevarez, our Log House on-site caretaker until 2018.

The Moran/Liss-Frank grandbaby's birthday party included a wonderful petting zoo and lots of big bright balloons! (Pictured left: Members Jamie Moran and Debra Liss-Frank. Pictured bottom left: Member Jessica Blumfield with husband, Josh and birthday boy, Sawyer)

It seems fitting that the Nevarez baby shower was the first event held in the Log House after the interior logs and walls were washed and sealed. Many of us know Juan well and wish him and his wife Rebecca all the best as they await baby Liam. His mother Maria Gonzales has helped take care of the Log House for 18 years.
